NOTICE OF LODGING OF CONSENT DECREE

The United States of America hereby notifies the Court that the United States, the State of Michigan, and NCR Corporation have entered into a proposed Consent Decree, which is being lodged with the filing of this notice.

Paragraph 112 of the Consent Decree provides that the United States reserves the right to withdraw or withhold consent to the Consent Decree if comments by the public disclose facts or considerations that indicate that the Consent Decree is improper, inadequate, or otherwise inappropriate. The public will have thirty (30) days, beginning on the date notice of lodging of the Consent Decree is published in the *Federal Register*, in which to submit comments on the Consent Decree.

After the public comment period has expired, the United States will inform the Court of any public comments received. If, after reviewing the public comments, the United States concludes that the Consent Decree should be entered, the United States will so advise the Court and seek entry of the Consent Decree as a final order of the Court.

Because of the public comment period, we request that the Court neither execute the Consent Decree nor enter it as an order at this time.

Respectfully submitted,
